

# PATROL LOAD BEARING Body Armor

The LOAD BEARING PATROL has the quality construction of other PSP Patrol products and also provides load-bearing capabilities for additional supplies, such as distraction devices and sprays. As with other PSP Patrol Series body armor, the LOAD BEARING PATROL's ballistic panels are interchangeable with all carriers of the same size, providing officers with a variety of options for protection and appearance in a wide range of scenarios.

## LOAD BEARING PATROL (Model #1140)
