

GRIFFIN Body Armor

Pacific Safety Products' GRIFFIN Medic Protection Vest is a durable, high-tech deployment vest that doubles as a state-of-the-art body armor protection garment. The Medic Vest provides a comfortable, low-profile front opening vest with full body protection and an additional 3.5" front overlap. Innovative pocket system includes 2 large utility pockets with elastic straps to ensure all equipment is held firmly in place for efficient extraction and replacement of supplies. Breast pockets have a reflective strip for maximum visibility but can also be tucked away when required.
