Ballistic

3100 The Griffin Medic Vest	1110 Concealable Vest	
•	•	Engineered for maximum mobility and flexibility
	•	Custom sizing of each concealable vest
•	•	Full front, back and side protection
	•	Adjustable Velcro® closure points on shoulders and sides ensures a comfortable fit when moving without compromising protection
	•	Low-profile serged seams on Velcro® attachment straps for increased concealment, as well as added strength, durability and comfort
•	•	Ballistic panels equipped with a Velcro®-in suspension system which supports and distributes the weight of the panels and eliminates shifting
		Adjustable Velcro® side closures allow vest to be worn over a variety of uniforms
•	•	Panels can be removed for laundering and/or repair of the carrier
•		Overlapping ballistic panels on the front and sides
	•	Ballistic panels are interchangeable with all other PSP Patrol series vests
	•	5"x8" trauma pack pocket incorporated into the front ballistic panel
	•	Carrier is constructed of Supplex®, specially engineered by DuPont to provide the soft, supple touch of cotton with the strength, durability and performance advantages of nylon
	•	Front and Back tuck-in tails prevent the vest from shifting
•		Suede lined collar to reduce neck irritation
•	•	Innovative pocket system provides quick access to emergency medical supplies
•	•	Five Year Warranty on materials and workmanship
•	•	DuPont® Cordura® Plus – 1000 denier nylon
•		3M™ Scotchlite™ Reflective Material
•		Customizable 3M™ Scotchlite™ Reflective Material
		Custom Sizing of each concealable vest
•		YKK® Coil Zippers #10 coil zipper for main bag
